How to increase libido energy?

ANTI-AGING SCIENCE
NATURALLY INCREASES:

- **PHYSICAL VIGOR**
- **MENTAL ACUITY**
- **SEXUAL DESIRE AND LIBIDO**

Studies from China and around the world show that receiving acupuncture therapy treatments and taking a specially-formulated herbal supplement prescribed by a Chinese herbalist can lower blood glucose level and reduce insulin resistance.

Target the sources of age-related vitality loss.

Non-invasive and painless testing – combined with scientific & proven natural nutrients, positively influences our gene expression & we feel more like we did in our youth.

Research proves we can oppose, slow or stop the age-related changes in our gene expression.

The quick test is a bio-marker for naturally preventing diseases of aging like cancer, cardiac, inflammatory, immune, diabetes etc.

As seen on Dr. Oz and the Discovery Channel, all natural and non-prescription products are the first medical nutritional product to be listed in the “Physicians Desk Reference,” now used in medical training institutions, cancer centers, physicians’ offices, is cutting-edge and for the, first time, available now in Ormond Beach.

For \$20 get your scan results in less than a minute - plus a complimentary consult with the doctor.
